To The Members of the Class of 1995:

The world awaits you! Congratulations on achieving success in your academic endeavors. You have completed an outstanding program of learning at the University of New Haven that we believe has prepared you to meet the challenges of our dynamic and ever changing society.

You will join the future leaders who will be called upon to help shape our global society as we move into the world of the 21st century. Your opportunities are limitless and your challenges are very real. I am confident that you possess the knowledge, the skills, and the understanding to make a difference!

As graduates of the University you now become one of our greatest assets - our alumni. Your energy and enthusiasm in the community and in your professional lives will do much to distinguish the University of New Haven. I know you will carry on our tradition of commitment to excellence wherever you go. And remember, we regard you as "family" and will always be interested in hearing from you regarding the significant achievements in your lives.

In closing, I know I speak for deans, faculty, staff and all your friends at the University, when I wish you much success and good fortune. Our work is complete — now it is your turn to take the lead. I applaud you and extend my best wishes to you and your family!

Sincerely,

Lawrence J. DeNardis

To the Class of 1995:

Allow me to first off congratulate each of you for attaining your goal of graduation. For you, these four years of hard work has come to a conclusion, and I'm sure you are well prepared to face your future endeavors.

As you move on, I urge you to reflect on your time spent here at UNH: The friends you have made, happiness you have enjoyed, despair you have felt, and most importantly, the success you have earned.

In closing, I would like to wish you the best of whatever the future holds for you. I sincerely hope you achieve all of your ambitions and you enjoy life to its fullest.

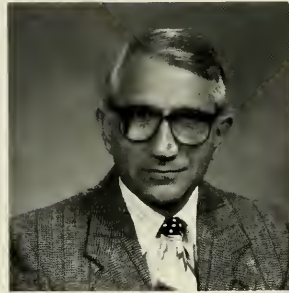

Respectfully,

Gregory R. Stott

Lacrosse

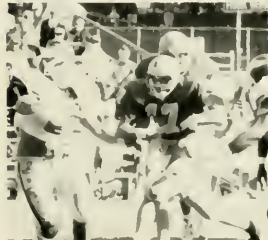

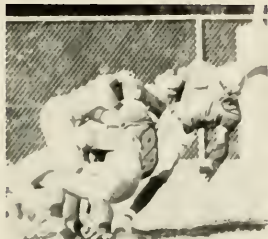

This years lacrosse team was at a loss, because their coach left and never recruited any new players. With the dedication of the veterans the men's team, next year they will be back into division play. We wish them the best of luck and hopes for a great season in 1996.

Delta Chi is a national fraternity dedicated to a brotherhood designed to promote friendship, develop character, advance justice, and aid in the acquisition of a sound education. Delta Chi was founded in 1890 as a law fraternity and became a general social fraternity in 1909. Delta Chi believes in upholding justice and was the first fraternity to officially abolish hazing in 1929. Delta Chi offers a relaxed approach to fraternal and college life, while maintaining prestigious and idealistic goals. Working hand in hand, geared toward helping and understanding our fellow man, Delta Chi invites students to visit and become acquainted with its brotherhood.

Delta Sigma Alpha

Delta Sigma Alpha is a local fraternity on the UNH campus and has been in existence since 1986. Justice, wisdom, and brotherhood are the guiding principals of Delta Sigma Alpha. It strives toward the promotion of friendship, the development of character, the diffusion of liberal culture and the advancement of justice. While Delta Sigma Alpha is a social fraternity, it has established very high academic standards. DSA is unique because it is the only non-secret fraternity on campus. Furthering community service activities and promoting student life on campus are goals.

HALLOWEEN 1994

Bill showed us the Rasta in all of us. Mike the the rest of the baseball team dressed insome of their Sunday's best. We had ref's, death, witches, skeletons, and even Chris Luntz as a baby. Those who were not dressed came in even scarier creatures themselves.

The resident assistant's need to come up with ways to bring community to our apartment life. One event was to pay for residents to go to the aquarium for the day. Jon and Kenol had great success and those who attended had a good time.

Homecoming brings together old friends, new acquaintances, and good times. Even our youngest fans tried to show their support of our Nationally ranked Charger Football Team. Thousands of people showed up to see UNH beat AIC. But the largest crowd ever was a week later for the IUP defeat.

TAILGATING 1994

This years homecoming game was the start of the first annual tailgating contest. Lasa was the winner of the contest, with a live band, food, drinks, lots of Latin Style. XKP, Phi Sigma, Delta Sigma Alpha, Fire Science, and many more showed up with their banners and school spirit.

Flanked by the relatives of crime victims, President Clinton signed a \$30 million crime law, but warned his audience at an elaborate White House Ceremony that the bill would not stop the violence plaguing the nation.

Astronaut Mark Lee unhooked his lifelines to the Space Shuttle Discovery and flew free 150 miles above the Earth. This was the first untethered spacewalk in 10 years.

Israeli Prime Minister Yitzhak Rabin and King Hussein of Jordan shake hands on the South lawn of the White House, and once again peace in the Middle East seemed more than a dream.

The civil war in Rwanda began with a plane crash that killed the president. Before the year was over another 500,000 Rwandans had been killed and another 2 million had fled the African nation for the relative safety of squalid refugee camps in Zaire and other neighboring countries.

The civil war continued to rack Bosnia-Herzegovina in 1994, despite the efforts of a United Nations peacekeeping force. The conflict, as complicated as it was savage, began in 1992 when Bosnia's Serbian minority rebelled against a decision by Yugoslavia's Muslims and Croats to secede. After two-and-a-half years of fighting, more than 200,000 people were dead or missing.

Cuban refugees headed north to the U.S. in almost anything that would float. Tens of thousands of people desperate to come to the United States to escape the poverty and hunger of their increasingly isolated Communist nation.

The United States went to the brink of invading Haiti. But, at the last minute Haiti's military rulers bowed to the United Nations and promised to cede power to the duly elected president, Jean-Bertrand Aristide, whom they had ousted. About 21,000 troops eventually landed on the island to help keep the peace until Aristide could consolidate control.

If rock 'n' roll is here to stay, 1994 made it clear that Aerosmith is too. The band of bad boys from Boston proved that heavy metal need not rust, taking three awards at the 11th annual MTV Music Video Awards ceremony at Radio City Music Hall in New York City.

It was a match made in tabloid heaven: The child of one of the two biggest stars in rock history married the other biggest star in rock history. Lisa Marie Presley, Elvis's only child, got hitched to the reclusive Michael Jackson.

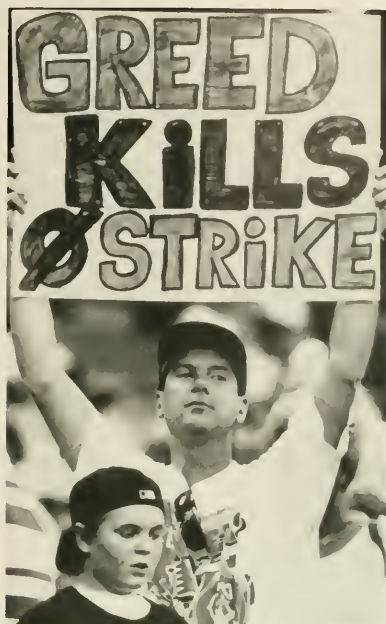

Woodstock '94 looked alot like the original 1969 rock festival — right down to the fans, who wouldn't have missed it for the world. When it was over the rain-drenched and mud-covered lumbered home from the sloppy fairgrounds looking like the walking dead — who died smiling.

A deaf woman from Alabama became the first contestant with a disability to win the Miss America Pageant. The 68th Miss America was 21-year old Heather Whitestone. After recieving the crown, she signed "I love you" amidst the thunderous applause from the audience at the Atlantic City Convention Center.

Andre Agassi won the 1994 U.S. Open with a straight set victory in the final over No. 4 seed Michael Stich of Germany.

The 1994 baseball season ended not with a home run or a strikeout, but with a conference call and a fax. On the 34th day of the major league players strike, the team owners canceled the rest of the season, including the playoffs and the World Series.

Could the world's greatest basketball player make it on the diamond? That was the question in 1994 when Michael Jordan, in his first year of retirement from the Chicago Bulls, signed a contract to play minor league baseball for the Chicago White Sox.

The world watched as O.J. Simpson was arrested for the murder of his ex-wife Nicole Simpson and her friend Ronald Goldman. The rambling jaunt along southern California's freeways to his house in west Los Angeles where he surrendered was the beginning of what many called the most famous murder case in American history.

Brazil's offense got all the attention beforehand, but its defense wound up stopping Italy — and winning the World Cup, soccer's ultimate prize.

The nation's 108th Supreme Court Justice couldn't wait to get to work. So, Stephen G. Breyer was sworn in at a private ceremony on August 3, nine days before a public ceremony in the East room of the White House.

Tens of thousands of firefighters fought a summer-long battle against scores of fires that burned more than three million acres of woodlands across the parched Western states. Flames scorched a range of well known locations, including the Jackson Hole ski valley and western Wyoming's Grand Teton National Park.

It was a rainy month in Georgia, where two weeks of record flooding in July killed 31 people, destroyed hundreds of bridges and roads, and even uprooted caskets from cemeteries.

On September 15th 1994, a plane flying at tree top level, breached restricted airspace around the White House and smashed into a magnolia tree on the South lawn. The single engine plane came to rest against the mansion wall and burst into flames.

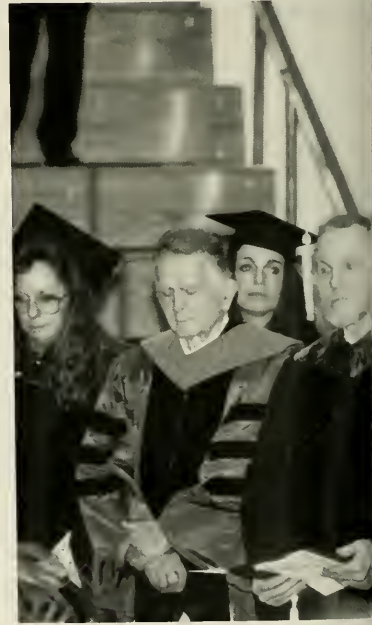

If the United States truly had a health care crisis in 1994, you couldn't have proved it by Congress. Despite the exhortations of President Clinton and the First Lady, the year ended without significant health insurance reform.

TO: MICHAEL A. RACCUIA
SOCCER #7

Dear Michael:

I want to share all of the hopes that I have for you. I am so proud of you for being such an independent person. I hope you always make your decisions on the basis of how you feel and on what you know is right, regardless of what your peers or other people think. I hope you always remember that you don't need to join the crowd in order to be happy. I hope you always remain the very self-contained person that you are now. These qualities will lead you to happiness and success in whatever you do. You are an outstanding son. I feel so lucky to be your mother and I hope you always know that I am so proud of you and I love you with all my heart. I hope that all of your dreams come true.

With love forever,
